

Guardian Protection

Terms & Conditions

Under our terms & conditions of hire, once a machine has been delivered to site you, the customer, assumes full responsibility for the correct use and required daily checks of the machine. This includes all loss and damage that could occur. However, for an additional cost **The Platform Company Ltd** agrees to retain certain levels of responsibility and provide you with the following options for your protection:

Guardian Protection

For an additional charge of 10% of the weekly rate, **The Platform Company** retains the responsibility for any loss or damage as a result of any accidental cause, but excluding:

- Theft
- Malicious damage & vandalism
- Damage by paint & other spraying substances
- Fire damage
- Corrosion by chemicals & any other corrosive agents
- Tyre damage & punctures
- Any damage caused by failure of operator's daily checks
- Any damage caused whilst on hire or loan to a third party
- Any damage caused to third party property or injury to any person
- Any damage caused by operator misuse or negligence
- Any damage caused by over loading

Guardian Protection Plus

For an additional charge of 20% of the weekly hire rate **The Platform Company Ltd** agree to retain responsibility for loss or damage as a result of any accidental cause, theft, vandalism & malicious damage but excluding

- Theft, malicious damage & vandalism if the machine was not stored in a secured area and all reasonable precautions of protection had not been taken.
- Damage by paint and other spraying substances
- Damage by fire where adequate protection has not been taken
- Corrosion by chemicals and any other corrosive agents
- Any damage caused by failure of operator's daily checks
- Any damage caused whilst on hire or loan to a third party
- Any damage caused to third party property or injury to any person
- Tyre damage & punctures
- Please note you are responsible for the first £500

Important

In the event of theft, malicious damage, vandalism & any other criminal act that results in the loss or damage to a machine, the police **MUST** be informed and a police crime number gained, otherwise the additional levels of protection provided will be invalid

Guardian Overspray Protection

Guardian over spray protection is charged at a flat rate depending on the machine type as listed in the Guardian and main TPC brochure.

This scheme ensures protection against paint overspray to the machine, but is only valid for the first 2 weeks of the hire period. Should further overspray protection be required then the protective coating will need reapplying at the cost as laid out in the brochure plus traveling time at £35.00 per hour.

Other Information

- All hirers have an obligation to ensure their operatives are correctly trained in the safe use and working of all access equipment, as well as the expected daily maintenance checks. You can call **The Platform Company** on **01628 559977** for further information about training.
- The hirer must report any incident with immediate effect to the supplying branch or via the freephone number on **0800 0 28 18 08**
